Comprehensive Pediatric Dental Services

At Fresh Pediatric Dentistry, we provide a wide range of services to keep your child's smile bright:

- Routine checkups and cleanings
- Fluoride treatments
- Sealants for cavity prevention
- Fillings and crowns
- Emergency dental care
- Behavior management techniques

We also offer early orthodontic evaluations to ensure your child's teeth and jaw develop correctly.

When Should Your Child Visit a Pediatric Dentist in Montclair?

According to the American Academy of Pediatric Dentistry, your child should visit a dentist by their first birthday or within six months of their first tooth. Early dental care sets the foundation for lifelong oral health.

Scheduling regular visits with a pediatric dentist in Montclair ensures early detection of potential issues, promotes good habits, and prevents dental anxiety from forming.

What Sets Our Montclair Pediatric Dentistry Apart?

Fresh Pediatric Dentistry isn't just another dental clinic—it's a place where children feel seen, heard, and cared for. Our tailored approach helps us connect with each child, building trust and reducing fear. And as one of the top-rated Pediatric Dentists in Montclair, we pride ourselves on our outstanding reputation within the community.
We also believe in empowering parents. Our team offers guidance, support, and tips on everything from brushing techniques to teething relief.
